DETAILED ACTION

1. Claims 17-20 are allowed over the prior art of record.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance: The primary reason for allowance of the claims is that the prior art neither teaches nor fairly suggest the method of making a semiconductor device as presented in independent claims 17. Major emphasis is being placed upon the provision of *"etching a via through the dielectric layer and a portion of the barrier layer, to expose a portion of the conductive layer above which the via is located; and introducing a dopant into that portion of the conductive layer"*, in combination with other limitations of the said claims and their dependent ones.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
